## **Data Scientist**

Email: john.doe@example.com | Phone: 555-123-4567 | LinkedIn: linkedin.com/in/johndoe

### Summary:

Data Scientist with 3+ years of experience in machine learning, data analysis, and predictive modeling. Proficient in Python, SQL, and various data visualization tools.

### Experience:

Data Scientist | AI Labs | 2021 - Present

- Built ML models to predict customer churn, improving retention by 15%
- Automated data preprocessing pipelines using Python
- Collaborated with engineering to deploy models in production

Junior Data Scientist | DataWorks | 2019 - 2021

- Performed exploratory data analysis and visualization
- Assisted in model training and evaluation

### Education:

MS in Computer Science | Stanford University | 2017 - 2019

BS in Statistics | University of California, Berkeley | 2013 - 2017
